Power & Performance

Patented digital amplification fills the room with audiophile-quality sound.

Heavy Bass

Revolutionary XdB technology pumps enhanced bass through the 4" side-firing subwoofer.

Stereophonic Imaging

Remarkably expands the audio soundstage for a concert-like music experience.

Smooth Mids

High-definition neodymium 3" speakers smoothly blend mid and mid bass tones for rich, accurate music reproduction.

Crystal-clear Highs

Custom-designed 1" neodymium tweeters cleanly reproduce high frequencies for transparent sound.

Video Output

Lets you play your iPod photo albums and videos on most TVs (includes S-Video and Composite outputs).

Full-function remote

Speaker and select iPod functions are at your fingertips.

Auxiliary Input

Connects other audio devices, including older iPod models, iPod shuffle, other MP3 players, or laptops (cable included).

Portable

Power up anywhere on batteries or use the included power supply.
